## ...IN THIS ISSUE...

At Max + Beresford we are keen to provide you with the latest technology and further improve our software to allow best communication between patients and our clinic. To this end, we will be replacing our Server which will have the following effect:

**The clinic will be closed on THURSDAY 21 JULY and early part of FRIDAY 22 JULY,**

During this time there will be no email accessibility and the office will be unable to cancel, book or change appointments. We will be available by phone but not able to go into the system to check appointments.

All patients who were scheduled to be seen during this time either have already been or soon will be contacted to change the appointments to a new time. We apologise for any disruption this may cause you but know you will be happy with the result.
